MINI John Cooper Works	1998/231	15,9	147	6,3	433.890	B

Priserne er ekskl. leveringsomkostninger.

Forhandlerprisliste januar 2017. Der tages forbehold for evt. fejl og ændringer, samt ændring i registreringsafgift.

Basic equipment

MINI (F56).

O = Standard equipment = not available		Cooper	Cooper S	Cooper D	Cooper SD	John Cooper Works	
1. Safety							
	Antilock braking system (ABS)	O	O	O	O		maintains the steerability of the vehicle irrespective of road surface conditions, prevents the wheels from locking by regulating braking pressure. Including brake assist to help shorten braking distance by maximum braking force assistance in abrupt braking (full brake application). Including Cornering Brake Control to stabilise the vehicle when cornering
	Crash sensor	O	O	O	O		disengages the Center Lock function of the central locking system to facilitate the exit of occupants or expedite outside assistance, switches on the vehicle's interior lighting and activates the hazard warning flashers in order to warn other road users in good time. Activation of the safety battery terminal clamp
	two-tone horn	O	O	O	O		
	Three-point seat belts	O	O	O	O		in all seats, front including belt stopper, pyrotechnic belt tensioner and belt force limiter
	Dynamic braking lights	O	O	O	O		
	Dynamic Stability Control (DSC)	O	O	O	O		incl. DTC, ELDC
	Electronic braking force distribution	O	O	O	O		
	ISOFIX child seat mounting	O	O	O	O		anchorages for up to 2 ISOFIX child seats on the rear seat bench. Note: check national-specific availability
	Headrests, all seats	O	O	O	O		
	Fuel pump, automatic cut-off in crash situation	O	O	O	O		
	Runflat indicator	O	O	O	O	O	Passive monitoring of all 4 wheels with status indicator light Note: refer to specific offers in the country-specific contribution (ACEA markets receive the 2VB tyre pressure monitoring system)
	airbag for driver and front passenger	O	O	O	O		
2. Paintwork and exterior design • 2.2 Exterior design							
325	Rear spoiler					O	John Cooper Works standard rear spoiler design, with through-flow, painted in roof colour
3AB	Mirror caps in body colour	O	O	O	O	O	
785	White direction indicator lights					O	white indicator lenses in headlights and side scuttles (standard for MINI Cooper S)
	Exterior mirrors	O	O	O	O		
	Roof spoiler	O	O	O	O		model-specific
	Roof spoiler, painted, same as roof colour		O		O		
	Side scuttle chrome-plated, with integrated turn indicator		O		O		
	Side scuttle black, with integrated turn indicator	O		O			
	Tailgate handle	O	O	O	O		MINI Cooper models: white aluminium MINI Cooper S: high-gloss black
	Chrome strip at bottom edge of all windows	O	O	O	O	O	
	Scoop integrated into bonnet, in body colour		O		O		
	Radiator grille	O	O	O	O	O	MINI Cooper models: with chrome border and slats in white aluminium
	Sill / bumper edge / wheel-arch cover	O	O	O	O		in black
	Door handles, chrome-plated	O	O	O	O		
3. Equipment packages							
4VA	MINI driving modes					O	Switch on the lower shifting connection link enables three different driving modes to be selected: SPORT, MID and GREEN with correspondingly different effects on mood lighting, accelerator pedal characteristic, steering, with matching displays on the radio display or on the screen. In Sport mode accelerator pedal characteristic and steering (and also the shift times in vehicle with automatic transmission) evince a sporty setup. With screen radio there are sports instruments with display of power and torque as well as a vehicle check control. In Green mode the driver is assisted in maintaining a consumption-optimised style of driving: by smart control of energy and climate management and systems and displays, such as e.g. the gearshift display. The MINIMALISM Analyser supports and motivates the driver additionally in maintaining a consumption-optimised style of driving (consumption savings up to 20% are possible). Coasting in neutral with automatic transmission. Contains central instrument with LED ring
4. Wheels/tyres							
2F0	15" light alloy wheels Heli Spoke silver	O		O			5.5 J x 15 / standard tyres 175/65 R15 lightweight forged wheel
2F3	16" light alloy wheels Loop Spoke silver		O		O		6.5 J x 16 / standard tyres 195/55 R16 Runflat tyres possible as an option
2G1	17" light alloy wheels John Cooper					O	7 J x 17 / standard tyres 205/45 R17
	MINI Mobility System	O	O	O	O		
	Steel wheels 15"						
5. Upholstery and interior design • 5.1 Upholstery							
BG	Cloth Firework	O		O			
BZ	Cloth Double Stripe		O		O		
DA	Dinamica / cloth combination					O	
5. Upholstery and interior design • 5.2 Interior design							
4AA	Headliner anthracite					O	including sun visors and grab handles and clothes hooks in anthracite
4C1	Colour Line Carbon Black	O	O	O	O	O	soft-touch knee roll and armrests in the doors
4DC	Interior surfaces Black Chequered		O		O	O	Interior trim finisher Cockpit foil Black Chequered, door bezel Piano Black coated
4EP	Interior surfaces Hazy Grey	O		O			Interior trim finisher Cockpit laser structure in Hazy Grey
	Headlining	O	O	O	O		in Satellite Grey
	door sill strips	O	O	O	O		model-related inscription in metal look
	Grip of parking brake, plastic	O	O	O	O		

Basic equipment

MINI (F56).

O = Standard equipment = not available		Cooper	Cooper S	Cooper D	Cooper SD	John Cooper Works	
	sun visors	O	O	O	O	O	
	Gearshift lever knob plastic	O	O	O	O	O	
	Inside door release handles, chrome-plated	O	O	O	O	O	
	Decorative rings surrounding round instruments	O	O	O	O	O	chrome plated
	LED ring around MINI Centre		O		O	O	
6. Technology • 6.1 Running gear							
216	Servotronic	O	O	O	O	O	servo assistance is optimised at all speed ranges, (e.g. minimum effort required at parking speeds)
226	Sport suspension settings					O	harder springs and stiffer gas shock absorbers optimise road contact even with a sporty driving style. The updated anti-roll bars counter sway when the car corners at speed. No further lowering of suspension
	Brake discs rear	O	O	O	O	O	
	Front brake disks with interior ventilation	O	O	O	O	O	
	Cornering Brake Control	O	O	O	O	O	
	Single-joint spring-strut front axle	O	O	O	O	O	
	Steering, hydraulically assisted	O	O	O	O	O	
	Multiple-control-arm rear axle	O	O	O	O	O	
	Power steering	O	O	O	O	O	
6. Technology • 6.2 Drive and transmission							
2TB	Steptronic Sport transmission					O	
2VG	Performance Control		O		O	O	for even more driving agility with on-demand torque split
	Exhaust tailpipe, visible	O	O	O	O	O	
	Diesel particulate filter		O	O	O	O	
	Manual transmission	O	O	O	O	O	
	Engine start / stop function	O	O	O	O	O	
6. Technology • 6.3 Driver assistance							
544	Cruise control with braking function					O	Cruise control from approx. 30 km/h, also for hill descents by additional braking intervention. Functions: - active braking intervention: if engine drag torque is not enough to maintain a preset speed on overrun, controlled braking intervention helps to reduce speed automatically - Curve Speed Limiter (CSL): during controlled cornering, speed in the longitudinal direction is reduced if necessary as a function of measured lateral acceleration. The vehicle accelerates back up to desired speed as it exits the corner. - Comfort Dynamic System (CDS): "manual accelerator mode", as it is known, enables the driver to accelerate and reduce speed steadily in two dynamic stages by means of a control on the steering wheel. The desired speed is thus reached more rapidly and the driver can accelerate or slow the vehicle in the flow of traffic without having to estimate the target speed in advance
6. Technology • 6.4 Sight and lights							
314	Heated windscreen washer jets including exterior mirrors, heated	O	O	O	O	O	
5A2	LED headlights					O	LED daytime driving lights and position light in icon graphic integrated into the headlights. Bright and efficient bi-LED light for dipped beam and main beam headlight functions. LED rear lights with tail-light function using LED optical fibre technology. Including white direction indicators.
5AA	Rear fog light	O	O	O	O	O	
	3rd brake light	O	O	O	O	O	in top of rear window In red for MINI Cooper models, in white for MINI Cooper S
	Halogen lamp for dipped beam and main	O	O	O	O	O	
	Follow-me-home function	O	O	O	O	O	
	Headlight beam-throw control, electrical	O	O	O	O	O	
	Daylight driving lights	O	O	O	O	O	note: refer to the country specific offer
	Additional direction indicator lights in	O	O	O	O	O	in orange for MINI One / MINI Cooper,
	Reversing light	O	O	O	O	O	
7. Interior • 7.1 Seats/seat comfort							
450	Height adjustment for front passenger seat					O	
481	Sport seats for driver and front passenger		O		O		optimum lateral support in all driving situations. Including manual adjustment of thigh support. Including storage pocket in the seat backrests
	4 seats	O	O	O	O	O	
	Comfort access function	O	O	O	O	O	facilitates access to the rear seats via simultaneous, maximised forward movement of seat base and backrest. Memory function when returning the driver's seat to its original position
	Rear seat backrest, foldable	O	O	O	O	O	
	standard seat for driver and front passenger	O	O	O	O	O	
	Seat adjustment, mechanical	O	O	O	O	O	6-way driver's seat, 4-way front passenger's seat
4FN	John Cooper Works sport seats					O	John Cooper Works Sport seats in especially sporty design with integrated headrest and John Cooper Works logo
7. Interior • 7.2 Steering wheels							
249	Multifunction for steering wheel					O	including Cruise control with DCC (Dynamic Cruise Control), remote control for radio and telephone
255	Sport leather steering wheel		O		O		3-spoke sport leather steering wheel with 6 o'clock finisher in Piano Black
2XC	John Cooper Works leather steering wheel					O	MINI John Cooper Works badge in the 6 o'clock clip. Thicker steering-wheel rim with perforated leather on the inside and contrasting stitching in Chili Red
	Steering column adjustment	O	O	O	O	O	infinitely variable in height and length
	standard steering wheel	O	O	O	O	O	
7. Interior • 7.3 Climate comfort							
530	Air conditioning		O		O	O	all temperature, air distribution and air volume control is manual. Stepless blower adjustment

Basic equipment

MINI (F56).

O = Standard equipment = not available		Cooper	Cooper S	Cooper D	Cooper SD	John Cooper Works	
	Heating with mechanical control and air recirculation button	O	O	O	O		
	Microfilter	O	O	O	O		
	Heat protection / sun protection glazing	O	O	O	O		made of toughened safety glass, green-tinted all round, windscreen laminated safety glass. Less heat and light penetrating the glass, so less tendency for the interior to heat up
8. Exterior and interior functional equipment							
	Microfilter	O	O	O	O		
	Storage options	O	O	O	O		
	luggage compartment lights	O	O	O	O		
	Cupholder	O	O	O	O		
	Glove compartment	O	O	O	O		
	rear window heater	O	O	O	O		
	interior lighting	O	O	O	O		
	Interior mirror	O	O	O	O		
	rear window wiper	O	O	O	O		
	Start / stop button	O	O	O	O		incl. keyless go
	electric window	O	O	O	O		Switch in the front door panel
	Personal Profile	O	O	O	O		Scope is dependent on the selected optional equipment. Operation via steering column stalk, display in the instrument cluster. Separate profiles can be stored on both radio remote control keys
	Electronic vehicle immobiliser	O	O	O	O		
	Tool kit	O	O	O	O		
	Lashing eyelets	O	O	O	O		2 lashing eyes in luggage compartment
	Non-smoker package	O	O	O	O		
	Fuel filler flap	O	O	O	O		in the rear right side wall. Painted in vehicle's body colour for MINI Cooper models, in chrome for MINI Cooper S
	Closing system with central locking	O	O	O	O		automatic above 16 km/h. Central unlocking when ignition is off for LAs. Including remote control with integrated key. Including 2 radio remote control keys. Key function: self-charging radio remote control key with central locking / unlocking as well as tailgate release function
	sun visors	O	O	O	O		
	Oddments trays at rear, right and left	O	O	O	O		
9. Entertainment and communication • 9.1 Radio/navigation							
	USB connection	O	O	O	O		
	AUX-In connection	O	O	O	O		
	Speakers:	O	O	O	O		2 mid-range speakers in the front doors, 2 woofers under the front seats
	radio	O	O	O	O		with 4-line display
9. Entertainment and communication • 9.2 Communication and information							
548	Speedometer with kilometer reading	O	O	O	O	O	note: refer to the country specific offer
	Condition Based Service	O	O	O	O		
	Revolution counter	O	O	O	O		round instrument on the steering column including two-piece information display (distance recorder and trip distance recorder, date, time, outside temperature and digital actual driving speed indication)
	Speedometer	O	O	O	O		round instrument on steering column
11. Internal control							
851	Language version German	O	O	O	O	O	note: refer to the country specific offer
853	Language version English	O	O	O	O	O	note: refer to the country specific offer
100% NORDIC PROFILE							
2PA	Locking wheel bolts for Alloy wheels	O	O	O	O	O	
314	Heated windscreen washer jets including exterior mirrors, heated	O	O	O	O	O	
428	Warning triangle	O	O	O	O	O	
470	Child seat ISOFIX attachment	O	O	O	O	O	isofix child seat attachment on the passenger seat, including front passenger airbag deactivation
494	Seat heating for driver and front passenger	O	O	O	O	O	3-stage adjustable
530	Air conditioning	O	O	O	O	O	all temperature, air distribution and air volume control is manual. Stepless blower adjustment
842	Cold-climate version	O	O	O	O	O	vehicle adaptations for operation in lower-than-average ambient temperatures.

Optional equipment MINI (F56).

X = Optional equipment O = Standard equipment = not available		Cooper	Cooper S	John Cooper Works	Cooper D	Cooper SD	Vejl.ud- salgspris dkr.	
Equipment packages								
7AL	MINI Seven	X			X		48 976	available optionally and at no extra cost: Option code 3BT 'Bonnet stripes MINI Seven'
			X			X	33 304	
	not with 7GD	X	X		X	X		Additionally and exclusively included in the MINI Seven package:
	not with 327 / 329	X	X		X	X		- MINI Seven door sill finishers (Seven designation with pinstripes in Malt Brown and Silver)
	not with 7KM / 7KN / 7KP / 7Y1 / 7Y2	X	X		X	X		- MINI Seven central instrument decorative trim finisher (Seven designation with pinstripes in Malt Brown and Silver) - MINI Seven graphic around side scuttle (adhesive film around side turning indicator element in silver with Seven designation and pinstripes in Malt Brown)

4GU	MINI Yours Interior Style Fibre Alloy in combination with 7GD in combination with 7AL only with 4V9	X	X	X	X	X	6 857 5 485 3 526 3 526	- interior surface of cockpit in real aluminium with herringbone pattern, interior surface of door bezels Piano Black High-gloss with light piping
4V9	MINI Excitement package in combination with 7GD in combination with 7KP in combination with 7Y1 in combination with 7Y2 only with 563	X	X	X	X	X	3 330 0 0 0 0	Mood lighting (RGB), switchable in the overhead toggle-switch array for - footwell - doors - centre stack - front waterfall lighting Others: - welcome lighting in the front interior light - illuminated exterior door handles - contains central instrument with LED ring
4VA	MINI Driving Modes in combination with 7GD in combination with 7KP in combination with 7Y2		X	O		X	5 485 3 526 0 0	A specific switch ring (always with chrome ring insert and LED ring in the central instrument) around the shifting connection link with selection of three driving modes: -SPORT: sporty setup of accelerator pedal characteristic curve and steering (and also the shift times in vehicles with automatic transmission); with screen radio including sports instruments with display of power and torque as well as a vehicle check-control. -MID: standard default -GREEN: consumption-optimised driving style by control of energy and climate management and systems and displays (e.g. gearshift display); coasting with automatic transmission. The MINIMALISM Analyser additionally provides support in maintaining a consumption-optimised style of driving. In combination with option code 223 'Dynamic Damper Control', the suspension setup can also be adjusted according to the selected driving mode.
507	Park Distance Control (PDC) rear in combination with 7GC	X	X	X	X	X	6 857 0	acoustic distance warning of obstacles at the rear of the car. The distance to an obstacle is indicated by an interval tone. The closer the vehicle approaches to an obstacle, the shorter the intervals between the acoustic signals. The acoustic signal switches to a steady tone as soon as the distance between the car and a detected object is less than 30-25 cm. Activation when reverse gear is engaged. Please note: The scopes of the system contained in the option code only provide assistance within defined system limits. It remains the responsibility of the respective driver to react to the actual traffic situation.
508	Park Distance Control (PDC) front and rear in combination with 7GC only with 5DP	X	X	X	X	X	15 476 8 620	acoustic distance warning of obstacles at the front and rear of the car. The distance to an obstacle is indicated by an interval tone. The closer the vehicle approaches to an obstacle, the shorter the intervals between the acoustic signals. The acoustic signal switches to a steady tone as soon as the distance between the car and an object detected by the system closes to less than 30-25 cm. Activation when reverse gear is engaged or toggle switch is actuated. Please note: The scopes of the system contained in the option code only provide assistance within defined system limits. It remains the responsibility of the respective driver to react to the actual traffic situation.

	in combination with 7Y2			X			0	
541	Active Cruise Control	X	X	X	X	X	7 836	In addition to regulating speed, the camera-based active cruise control also regulates distance from the vehicle ahead in flowing motorway and country road traffic. System is active between 30 and 140 km/h. Note: refer to the country-specific offer Please note: The scopes of the system contained in the option code only provide assistance within defined system limits. It remains the responsibility of the respective driver to react to the actual traffic situation.
	only with 5AS	X	X	X	X	X		
544	Cruise control with braking function	X	X	O	X	X	0	Cruise control from approx. 30 km/h, also for hill descents by additional braking intervention. Functions: - active braking intervention: if engine drag torque is not enough to maintain a preset speed on overrun, controlled braking intervention helps to reduce speed automatically - Speed limiter (LIM): A specific max. speed can be set manually, but it remains necessary for the driver to provide acceleration. When the specified speed is reached, it is possible to feel resistance from the accelerator, which can only be deactivated by completely pushing down the accelerator or by switching off the speed limit function. - Curve Speed Limiter (CSL): during controlled cornering, " speed in the longitudinal direction is reduced if necessary as a function of measured lateral acceleration. The vehicle accelerates back up to desired speed as it exits the corner. - Comfort Dynamic System (CDS): "manual accelerator mode"", as it is known, enables the driver to accelerate and reduce speed steadily in two dynamic stages by means of a control on the steering wheel. The desired speed is thus reached more rapidly and the driver can accelerate or slow the vehicle in the flow of traffic without having to estimate the target speed in advance Please note: The scopes of the system contained in the option code only provide assistance within defined system limits. It remains the responsibility of the respective driver to react to the actual traffic situation.
	only with 249	X	X	X	X	X		
547	Cockpit Chrono package	X	X	X	X	X	3 722	three analogue round instruments on the instrument cluster behind the steering wheel. Displays for: - boost pressure - oil pressure - time / stopwatch including lap timer

5AA	Rear fog light	O	O	O	O	O		
5AS	Driving Assistant	X	X	X	X	X	11 558	Camera-based driver assistance system package consisting of high-beam assistant, Speed Limit Info, person warning with light city braking function and approach control warning with light city braking function. - high-beam assistant: at speeds of 50 km/h and higher, the high-beam headlights are turned on and off automatically, depending on approaching traffic; also detects sufficient exterior lighting, for example in built-up areas - road signage recognition: camera-based display of speed limits and no-overtaking zones - person warning and approach control warning warn and brake in a speed range from approx. 10 km/h to 60 km/h. Approach control warning also warns of potential collision with a vehicle ahead at higher speeds, with preconditioning of the brakes for faster brake response and shorter braking distances. If an accident cannot be avoided, the braking functions help to reduce the impact speed. By default, the function is always available when the vehicle is started. The approach pre-alert can also be configured to specific driver preferences in the MMI menu (early, medium, late). Note: refer to the country-specific offer Please note: The scopes of the system contained in the option code only provide assistance within defined system limits. It remains the responsibility of the respective driver to react to the actual traffic situation.

Perfect integration of Apple iPhone / iPod Touch and selected Android devices in the vehicle. MINI Connected specific apps contain country-specific details, information, FAQs and support: www.MINI.com/connected . Function and content updates and extensions/changes possible via the app store of the telephone service provider. In addition, all apps that are "MINI Connected ready" are supported. Information is shown in MINI look & feel in the display of the central round instrument, control is secure and intuitive using the MINI controller, also possible using the multifunction steering wheel. Audio output via the in-car audio system. Note: offer and functional scope can differ depending on equipment fitted and on country. We reserve the right to make changes to the graphics and to the functional scope of MINI Connected. A broadband data connection is needed; the costs this entails (e.g. data roaming) are part of the customer's contract with the mobile wireless network provider. The MINI Connected app is available free via the app store of the terminal device provider (check country-specific requirements and preconditions). Updates possible at no extra cost. Extensions might be subject to cost. If other MINI Connected compatible apps become available, they will be flagged / communicated accordingly ("MINI Connected ready"). Compatibility of terminal devices and functional scope of MINI Connected: MINI.com/connectivity .
