Prices are valid for production from 1st of July 2019 and until a new pricelist is published.

Prices include delivery fee of 3980 DKK.

Option prices are based on 85% in registration fee.

When choosing options, some of them can become calculated with 150% in registration fee.

Det anførte brændstofforbrug og CO₂-udledning er fastsat i henhold til Europa-Parlamentets og Rådets forordning (EF) 715/2007 af 20. juni 2007 gældende på tidspunktet for typegodkendelsen af det pågældende køretøj. De anførte tal er baseret på et køretøj med det standardudstyr, som køretøjet leveres med, og det viste interval er baseret på de forskellige konfigurationsmuligheder (standardudstyr og ekstraudstyr). De modeller, der er afbildet, afspejler biler, der forhandles på det tyske marked. Der kan dermed forekomme afvigelser fra de beskrevne modelvarianter og det beskrevne udstyr i forhold til biler, der forhandles i Danmark. Du kan få yderligere oplysninger hos din MINI forhandler. Brændstofforbruget, CO₂-udledningerne og strømforbrug er fastsat ud fra den nye WLTP-norm (Worldwide Harmonized Light Vehicles Test Procedure). Registreringsafgiften er baseret på, blandt andet, bilens brændstofforbrug. Beregningen af registreringsafgiften baseres i Danmark, frem til 1. januar 2021, på en korreleret værdi af det opnåede WLTP-testresultat. Mere information om udledninger og WLTP-kørecyklussen findes på <https://www.mini.com/consumptionandemissions>.

En oversigt over brændstofforbrug, CO₂-udledninger og strømforbrug for alle nye personbilmodeller fås gratis på alle salgssteder, og kan derudover ses på Trafikstyrelsens hjemmeside www.bilviden.dk.
