MINIATURES & MOBILITY

With a heritage built on mobility, it makes perfect sense that MINI is also turning its hand and expertise to creating items that take us places. From bikes to skateboards, there's something for the seasoned urban commuter, as well as cool contraptions for kids who are just getting started on wheels.

MINI's collectible miniatures are all affectionately made to mirror the originals, and many feature moving parts and immaculate attention to detail.

MINI BABY RACER.

PUSH CAR IN ORIGINAL MINI DESIGN.

Description

The little ones will love whizzing around in the smooth-running MINI Baby Racer. It has low-noise rubber tyres and a soft, detachable seat cushion that can be washed whenever needed. The body is made of non-toxic polyethylene and can be accessorised with an optional push bar for when they inevitably wear themselves out. The classic Chili Red and White bonnet stripes give the little racer its unique MINI look. Suitable for children 18 months and over.

Article number & Sizing
